Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Sunday 04 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain or showers, occasionally heavy. Drier in the north.

This Evening and Tonight:
Heavy showers mostly dying out across the north through the evening. Across the south and west showers turning to more persistent rain, this occasionally heavy. This moves north slightly overnight with the heaviest rain across central and southeastern parts.

Monday:
Rather cloudy with scattered heavy showers, some longer spells of rain at times. Some brightness breaking through in places in the afternoon. Northeast seeing haar.

Outlook for Tuesday to Thursday:
Remaining unsettled with further scattered showers into midweek, but becoming less widespread and less heavy. Feeling warm in any sunshine.
